It gives me great joy to once again invite you to read through our college newsletter 'GMFC Times,' Volume 07: Issue 01

As the restrictions enforced during the pandemic began to be cautiously lifted, we once again set about our task of promoting a vibrant and wholesome academic atmosphere on campus.

This newsletter showcases a few of the diverse academic and other programs and events designed to hone the natural talents and abilities of our students. As usual, we continued to strive to mould the youngsters entrusted to our institution into becoming notable change-makers of our society.

Along with continuing to make positive contributions to the educational ecosystem of the state, we also celebrated the momentous foundation stone laying ceremony for the new state-of-the-art college campus. This auspicious occasion was graced by the presence of the Chief Minister of the State, Dr. Pramod Sawant.

In the future, through continued innovative attempts to meaningfully engage the student community, we aspire to emerge as a leading example in the educational ecosystem of Goa.
